

QUALITY POLICY

CLIMASTAR is a company dedicated to the Design, Manufacture and Marketing of heating equipment, and to the Marketing of ACS equipment. In our eagerness to achieve a higher quality in our products and services, as well as a greater proactivity towards the care of the environment that surrounds us, we have established the following maxims to be fulfilled within our company:

- ✓ To ensure the satisfaction of our customers by always dealing with them correctly.
- ✓ To comply with all the requirements imposed by our customers, as well as all those of a legal nature in the field of quality that are required of us or others that our own organisation subscribes to.
- ✓ To commit ourselves to continuously improve the quality of our products.
- ✓ To believe in a better future for our company in which the customer will always feel satisfied with our products.
- ✓ To achieve a high level of competitiveness in our markets based on the trust and loyalty of our customers and on offering attractively designed, energy-efficient products.
